

# LA CERTIFICAZIONE FSC® ...VALORE AGGIUNTO!

Grazie alla certificazione, Grafiche Baroncini può marchiare con il logo FSC® i prodotti di comunicazione dei Clienti che decidono di stampare su queste carte, trasferendogli il valore aggiunto di comunicazione ambientale. I Clienti beneficeranno infatti di un'immagine aziendale attenta alle tematiche ambientali, argomento quanto mai attuale e sentito a tutti i livelli.

**Grafiche Baroncini ha ottenuto la prestigiosa certificazione FSC® (Forest Stewardship Council®) di Catena di Custodia (COC).**

La certificazione FSC® garantisce l'utilizzo di carte provenienti da foreste gestite in maniera responsabile, sia da un punto di vista ambientale, sociale che economico. La certificazione ottenuta da Grafiche Baroncini, attraverso il numero univoco rilasciato all'Azienda (sa-coc-004194) da un Ente terzo di verifica indipendente, permette la tracciabilità della materia prima lungo tutta la filiera produttiva, a partire dalla foresta fino al consumatore finale. Uno dei fattori di successo di FSC® è la forte reputazione e credibilità garantita da tutti i portatori di interesse. La certificazione FSC® è infatti riconosciuta e promossa da tutte le più importanti Associazioni Ambientaliste come WWF, Greenpeace, Legambiente, etc.... dalla grande distribuzione IKEA, Auchan, Coop, Carrefour, etc.... ed anche dal Governo Italiano, che la riconosce un valido criterio in ottica di Acquisti Verdi (Green Public Procurement).

**Code: INT-COC-001068**

This is to certify that
